This decision is issued in response to the "Renewed Petition Under 37 CFR 1.181 And 37 CFR 1.137(a)" filed on 21 November 2001. No petition fees are required.

### **BACKGROUND**

The procedural background for this application was set forth in the decision mailed by this Office on 07 September 2001. That decision dismissed applicants' petition under 37 CFR 1.181 to withdraw the holding of abandonment. Specifically, the decision stated that applicants had failed to satisfy all the requirements of a grantable petition to demonstrate that the Notification Of Missing Requirements was never received. The decision also dismissed applicants' petition under 37 CFR 1.137(a) for failure to provide adequate evidence that the abandonment was unavoidable.

On 21 November applicants filed the "Renewed Petition Under 37 CFR 1.181 And 37 CFR 1.137(a)" considered herein.

### **DISCUSSION**

The previous decision stated that:

Applicant must provide a copy of the docket record which sets out all the responses due in the USPTO on 13 November 2000, the date on which a

response to the Notification Of Missing Requirements was due (docket records should also be supplied for Sunday, 12 November 2000, if applicants' docketing system does not automatically adjust for the fact that the one month reply date fell on a Sunday).

The renewed petition includes the required docket records. Based on the docket records, and applicants' statements in the renewed and original petitions, applicants have now submitted a grantable petition demonstrating the failure to receive the Notification Of Missing Requirements. Accordingly, the Notification Of Abandonment mailed 29 May 2001, based as it was on applicants' failure to respond to the Notification Of Missing Requirements, is appropriately withdrawn.

Based on the withdrawal of the abandonment, applicants' petition under 37 CFR 1.137(a) is now moot.

Applicants 15 June 2001 submission included an executed declaration in compliance with 37 CFR 1.497, as required by the Notification Of Missing Requirements. Accordingly, the 35 U.S.C. 371 date for this application is 15 June 2001.

### CONCLUSION

For the above reasons, the petitions under 37 CFR 1.181 is **GRANTED**.

The petition under 37 CFR 1.137(a) is **MOOT**.

The Notification Of Abandonment mailed 29 May 2001 is hereby **VACATED**.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for further processing. The 35 U.S.C. 371 date is 15 June 2001.
